

## **“The Power of Difference/ Celebrating Our Cultural Diversity”**

**Are you clearly communicating with your Non-English speaking workforce or are there some barriers?**

- Do you work directly or indirectly with employees from another culture?
- Do you find that they are good workers with few complaints?
- Do you find that they will say **yes** to almost everything?
- Do you sometimes get frustrated due to the communication & cultural gap?

**What if you could Increase and Improve Communication, Employee Morale, Productivity and Workplace Safety?**

**Part of the answer is in understanding our diverse culture.**

Our differences as individuals is what makes for a more valuable, productive and powerful workforce and society. During this interesting, and informative presentation you will learn the following valuable tools:

### **Objectives**

- Learn how to tap into the power of our Diverse Population.
- Gain a valuable insight and appreciation for diversity and how this actually can work to your benefit both in your professional and personal life
- Learn how to put to use the power of our differences (in such areas as gender, religion, ethnic group etc..)
- Learn how fear of differences actually gets in the way of our personal and professional goals and new ideas for acknowledging and celebrating with Diversity!
